

# Winford Ponds

## LOCATION AND FACILITIES

Winford Ponds, owned by the Kentucky Department of Fish and Wildlife Resources, are located approximately 3 miles south of Wickliffe in Carlisle County off U.S. Highway 51s. These ponds are cypress tree-lined and have a total surface acreage of 7 acres. No boat launching ramps or facilities are available; however, small boats may be launched by hand. Roads are maintained by KY Department of Fish and Wildlife personnel.

## THE FISHERY

Species which may be harvested include bluegill, largemouth bass, black and white crappie, longear sunfish, carp, gar, paddlefish, channel catfish, and other species associated with the Mississippi River.
